

KEEP THIS HANDY

Scammed? Who to call in Maine

If you lost money or shared personal information, act fast. These official offices take reports and can tell you what to do next.

WHAT TO DO

- 1 Stop all contact with the scammer.
- 2 Call your bank or card company to stop or reverse payments.
- 3 Report it to the Maine attorney general, listed below.
- 4 If your identity was used, go to IdentityTheft.gov.
- 5 File a police report and keep a copy.

REMEMBER

Be careful of anyone who offers to get your money back for a fee.

That is a common second scam.
